

5th Grade Mystery Song #2 - Can you figure it out???

Hint #1: You should work on pg. 26 in your book first, so that you know the new notes in this song!

Hint #2: If you don't remember what the + symbol means, look at #82 in your book!

Hint #3: This song uses a new rhythm, the 8th rest and 8th note. It's just like a regular pair of 8th notes, but the first note is silent. :)

VIOLIN:

VIOLA:

CELLO & BASS:

Bass players should play the last note as open G, not low G. :)
